SHORTHORN INTERNATIONAL

The Swing is to SHORTHORNS

Not ONE — but THREE Consecutive International Grand Champion Steers Over All Breeds Under Three Different Judges!

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.
2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.
3. The average price for Shorthorns at auction in 1947 went up 24 percent.
4. New members in the American Shorthorn Breeders' Association hit a new all-time high of 2,333 in 1947. In six years Association membership has doubled over the entire number for all previous time up to that date.
